SHIKARPUR TOWN MUNICIPALITY.

Notification dated 31st October 1938.

The following draft Rules and Bye-laws framed by the Shikarpur Town Municipality under Section 46 (b) and 48 (i) of the Town Municipal Act, VIII of 1933, are published for the information of the public. Any resident within the area of the Municipality of Shikarpur, who has any objection or suggestion with respect to the draft bye-laws should communicate to the President, Shikarpur Town Municipality, within thirty days from the date of this notification, after which date no objection or suggestion will be entertained.

Draft Bye-laws and Rules regarding the Water Supply to the Shikarpur Town.

1. No person shall wilfully or negligently—

(*a*) remove, break, injure or open any cock, lock, valve-pipe work or engine belonging to or under the control of the Municipality in connection with the water-supply ; or

(*b*) flush or draw of any water in or derived from any such water work or do any act whereby the water in any pipe or water work is likely to be wasted or contaminated ; or

(c) obstruct, divert or in any way injure or alter any water main or duct.

2. The water supplied by the Municipality is intended primarily for domestic use and therefore, water from a public stand post or tap shall not be taken for garden irrigation or for building purposes. In the latter case the previous sanction in writing of the President should be obtained on such payment and under such conditions as may be settled by the Municipal Council.

3. No person shall bathe or wash any animal, vehicle, clothes or utensils at any public stand posts or taps, which are not specially set apart for the said purposes.

4. No person shall do anything to damage or disfigure the stand posts or platform or to obstruct the free flow of water from the platform.

5. No person shall water any animal at any public stand pipe or cistern except at places prescribed by the Municipality for that purpose by notice posted thereat.

6. The Municipality, at any time, with previous public notice stop the supply of water whenever it may appear to be unfit for use by the public.

7. The Municipal President or his authorized agent, shall have power to stop or reduce the supply, in any public main or sub-main for repairs or renewals without any notice. But if stoppage is over an extensive area or is due to exigencies, which can be foreseen, such previous notice as is possible under the circumstances will be given by general *Tom Tom*.

8. Applications for attachments from the public mains are to be made in printed form to the President of the Municipality, who is authorized to comply with such requisitions by owners of property, who are required to lodge with him the cost of attachment as may be estimated for by the Municipal or public works officers before the work is begun. All applications should be accompanied with a deposit of Rs. 25 which will be adjusted towards the cost of attachment subsequently.

9. Until further orders, private house service connections will be limited ; houses paying house tax not less than Rs. 2-8-0 a year, in localities where a supply can be given without detriment to street service, provided there are facilities to make proper arrangements for draining off the waste-water to the Municipal drains.

10. For houses taking ½ inch connections a maximum of 3 taps may be given and for the larger size also 3 taps may be given. A fee of rupee one for each ½ inch connection and rupee one and a half for each ¾ inch connection will be charged per month.

11. Service pipes to private properties shall be laid only by plumbers, duly licensed by the President on approved plans and specifications under conditions and rules sanctioned by the Chief Engineer.

(*a*) No alteration or extension shall be allowed without obtaining the sanction of the President and such work shall be carried out by the licensed plumbers.

(*b*) Repairs may, however, be carried out by the owners of property after giving intimation to the President of the nature of repairs to be done, the work being entrusted to licensed plumbers only.

12. The President or his authorized agent, may at all reasonable times, with the permission of the owner or if permission be refused after giving six hours' notice, enter any premises in which there is a water connection, in order to inspect and examine or repair the same.

13. The President or his authorized agent, shall have the power to cut off the connection between the private pipes and the public main in any of the following cases :—

(*a*) In default of payment of water rates and other charges, due under the rules within fifteen days after the same shall have been demanded in writing or presented.

(*b*) If any house owner or occupier who is supplied with water shall use or permit the use of water for purposes in violation of the conditions on which the connection is granted, provided that six days' previous notice is given in writing.

(c) In cases of leakages of pipes or other defects in the private service arrangements likely to cause loss to the Municipality, provided forty-eight hours notice is previously given.

(*d*) If water is allowed to run to waste after the owner or occupier has been warned in printed or written notice against following such waste.

(*e*) In any case of broken pipes or fittings causing loss of water, likely to cause damage to property, when such notice as may be possible shall be given.

(*f*) In any case of refusal to allow the President or his authorized agent to enter on any land or building for the purpose of inspecting service pipes, fittings, etc.

14. The bye-laws 2, 3, 4, 5, 6, 7 and 13 stated above, apply to *mutatis mutandis* to public street fountains which have or may be allowed to be erected at the expense of private individuals for dedication to public use.

15. Any person infringing any of the bye-laws from 1 to 5 inclusively, shall be liable to be punished with a fine not exceeding fifty rupees on conviction before a Magistrate.

G. M. SIDRAMAPPA,
President.
